

# JOURNEY THROUGH ISRAEL

HOSTED BY  
† MICHAEL CARD

Come to Israel and walk in the footsteps of Jesus chronologically, from birth to death to resurrection, with Michael Card and a small community of travelers. Our Licensed Tour Guide helps us bridge the centuries and understand the historical and cultural context at each place we visit. Use your Biblical Imagination as Michael sings and teaches at various sites throughout the journey. Our small group size allows us to linger and deepen our experiences at the sites. In our group gathering each evening, we reflect on meaningful experiences as Michael leads us in prayer and song. Join us on this journey of a lifetime and create memories you can relive each time you open your Bible.

## Important Details About the Tour

**Mobility:** We walk about an average of 2-3 miles each day. We do take breaks often, so the walking is not continuous. If you have concerns about being able to keep up with the group, we encourage you to work your way up to walking 1 mile continuously before the trip. There are a couple of tour sites that have many stairs. For those that find stairs difficult, the guide will recommend other options such as staying on the bus or visiting the coffee shop.

**Hotel Rooms:** Room rates are based on double occupancy. If you need a room for single occupancy, a single supplement will be required. If you are traveling alone and wish to be placed with another single traveler of the same gender, we will do our best to accommodate you.

**Passports and ID's:** Passports must be valid for **6 months** after your airline ticket **return** date back to the USA. If necessary, please apply for a new passport at least 4 months prior to the scheduled departure. You must also bring your driver's license or other legal form of identification in addition to your passport.
